POLICE NEWS.

Judge Perry Inflicts Fines Galore
This Morning.

Six celestials who love the se-
ductive opium not wisely but too
well greeted Judge Perry this
morning when he mounted the
judgment seat of the District
Court in and for the city of Ho-
nolulu. Three of them pleaded
guilty and were assessed fifty
dollars each as punitive dam-
ages for the outraged dignity
of the Republic of Hawaii,
while Jimmy Thompson tacked
on an extra three dollars apiece
to help run the expenses of the
Attorney - General's department
till the legislature votes another
appropriation. The other three
were discharged.

Hana (w) and Kaluna were the
next to face the stern majesty of
the Court. This hitherto pre-
sumably guileless couple are so
no longer for they both pleaded
guilty of committing adultery in
Honolulu within one month last
past and more particularly on the
night of August 16th. Kaluna
will have to pay \$53 before re-
gaining his liberty, while the
lady got off at half-price. Clerk
Thompson, however, makes no
distinction on account of sex, his
bill for costs being \$3 each.

One Foster, Christian name un-
known, accused of larceny in the
second degree in Honolulu on
August 15th last, by stealing, tak-
ing and carrying away the sloop
Kailani, the property of Sing
Chong, and valued at \$1500. The
complaint does not state whether
he carried the sloop away on his
shoulders or in his vest pocket,
but that will probably come out
on the 20th to which date the mat-
ter has been postponed.

Antone Rosa is entered as at-
torney of record for J. L. Stevens
on the charge of having opium in
possession, which has been con-
tinued till moved on.

Other minor cases were con-
tinued till Monday, and having
wound up the business of the
week the Court went off prepared
to take in the ball game with a
clear conscience.

MME YALE'S HAIR TONIC

LADIES AND GENTLEMEN: It affords me
great pleasure to call the attention of the
public to my Yale's Hair Tonic, which is the first
and only remedy known to chemistry which
positively turns gray hair back to its original
color without dye. I personally indorse its
action and give the public my solemn guaran-
tee that it has been tested in every conceiv-
able way, and has proved itself the only Hair
Specific. It stops hair-falling immediately
and creates a luxuriant growth. Contains no
injurious ingredient. It is not sticky or greasy;
on the contrary, it makes the hair soft, youth-
ful, fluffy, keeps it in curl and removes dand-
ruff. For gentlemen and ladies with hair a
little gray, streaked gray, entirely gray and
with BALD HEADS, it is specially recom-
mended.

All druggists. Price \$1; also Yale's Skin
Food, \$1.50; Yale's Complexion Cream, \$1
Yale's Face Powder, 50c; Yale's Beauty

TO OWNERS OF BUILDINGS.

The undersigned having purchased the exclusive right, title and interest for the
Manufacture and use of the PEERLESS PRESERVING PAINT in and for the
Hawaiian Islands, desire to call the attention of owners of buildings to the
superiority of this Paint for the purpose of Preserving Shingles, Metals, Iron, Steel,
Bridges, Posts, etc. against rust, corrosion, decay and leakage. One generous coat of
the Peerless Preserving Paint has been found equal if not superior to three coats of
any other Paint, and we guarantee it will not scale, crack, or run, it being composed
of a body when applied in which there is no OIL, SPIRITS OR EVAPORA-
TIVE SUBSTANCE. In using this Paint upon a shingle roof its FIRE-
PROOF qualities are one of the chief advantages, as it renders the roof imper-
vious to sparks which may fall upon it in the driest season without the slightest
injurious effects. The main features which the PEERLESS PRESERVING
PAINT offers for its use upon roofs are its thorough resistance to any action of
heat or cold, and its wonderful PRESERVING qualities which fully prevent
any action from either RUST OR DECAY.

We are prepared to execute and carry out special contracts for the application
of the PEERLESS PRESERVING PAINT on any of the Islands. All con-
tracts undertaken by us will be fully GUARANTEED. Our prices for this class
of work are extremely moderate, and roofs to which Paint is applied by us are
guaranteed against leaks, cracks, scales or runs for a period of years, estimated up-
on the age of the roof when the work is performed.

Examinations made and estimates given in all work free of charge, and refer-
ences given by application at our office.
